*"I really enjoyed the class, All the instructors were very helpful and Informative. I would recommend everyone to take this class before investing in a home."*

- Mary Wilson

## What We Do

The Money for Dreams Partnership is here to help you to own a home, save for college, start a small business, or to become financially stable. We offer:

- Financial Fitness Classes
- Financial Coaching

## Our story

We are two agencies with a common goal of educating you to earn, learn, save, and invest so that you can become financially stable, and achieve your goals.

We understand the challenges faced by people in today's economy. Through our educational programs, we will help you to learn how money and credit work in order to improve your finances. Visit us at:
